

The offshore petroleum approval and regulatory process

The infographic below provides a broad overview of the approval and regulatory process for all offshore petroleum activities in Commonwealth waters. For more information, visit nopsema.gov.au.

Legend

- NOPSEMA's remit
- Outside of NOPSEMA's remit

NOPSEMA has no role in granting or administering petroleum titles. For more information contact the National Offshore Petroleum Titles Administrator (NOPTA) at nopta.gov.au.

For more information about the assessment process see nopsema.gov.au.
