Afternoon [REDACTED]

With reference to the below mentioned Improvement Notice 0297; please find attached evidence that corrective measures have been implemented, including the installation of an engineered bracing arrangement and subsequent infield vibration analysis of the small bore line referenced against the adjacent gas injection header.

Could you please confirm your acceptance of close out of Improvement Notice 0297, or conversely revert with any additional clarification required.

Best regards,

[REDACTED]

Hi [REDACTED]

The attached improvement notice is due on the 8th May. I have had no word on what action Woodside are taking in order to comply with the notice and progress.

Please can you provide an update.

Regards
