Hi [REDACTED]

Could we please schedule a meeting on Friday 13th at 1-2pm? We are happy to attend NOPSEMA offices if preferred.

Kind Regards

Hi [REDACTED]

Are you available next week Thursday 12th at 3-4pm, or Friday 13th between 1pm and 3pm?

The week after is the APPEA conference and many people are away. So if next week does not suit, then we may need to look at dates after the 23rd May.

You don't often get email from elle.stoney@woodside.com.au. [Learn why this is important](#)

Hi [REDACTED]

Thanks for the presentation today, it was helpful in us understanding the changes and intent of the NOPSEMA's draft policy.

We agree with NOPSEMA that s270 needs to be considered early in the decommissioning lifecycle and therefore I think it would be useful to have a meeting to discuss the content. We are currently working on s270 compliance/considerations for several decommissioning activities as well as looking to understand how we can better embed s270 considerations into our processes. A discussion around key changes to the draft policy and Woodside's feedback would be useful.

We can be flexible with our availability, so are you able to propose some dates / times that would be suitable?

Kind Regards

Hi [REDACTED]

Was good to see you both again today, albeit on the other side of a VC.

As offered in the meeting today, please let us know if Woodside have any further queries regarding NOPSEMA feedback on the comments received from public consultation on the draft S270 regulatory policy. We can either take and respond to queries via email or arrange a meeting if more efficient.

Hi [Redacted]

Thanks for the email. We are currently considering stakeholder feedback and our approach to finalise the policy including undertaking further consultation with submitters. [Redacted] is assisting with this work and we should be in contact in the next couple of weeks to discuss your feedback and next steps.

Any questions in the meantime please let [Redacted] or I know.

Hi [REDACTED]

Hope you are well.

I am following up on the below and Woodside's comments on NOPSEMA's draft s270 policy. Is there an opportunity to discuss our comments in more detail? We would also be interested in understanding the next steps and timeframes for the draft policy.

Kind Regards

Hi [REDACTED]

Woodside is planning to submit comments on the draft policy. At this point we are on schedule to submit by CoB today; we are just waiting on final approval. I will let you know if anything changes this afternoon which means that we will miss the submission date.

It would be useful to discuss the comments when you have received our feedback. I am not clear on your intended timeframe for when the policy will be finalised but happy for you to suggest some meeting date/times that might be suitable.

Kind Regards

Hi [Redacted]

I hope all is well. I wanted to see if Woodside planned on providing any comments in relation to NOPSEMA's draft section 270 policy?

It would be good to get your thoughts regarding the draft and if/where we could make any improvements.

If you would like to make a submission but need more time just let me know and we can make some arrangements.
