Hi [REDACTED]

Justice Bromberg has handed down his decision. In summary NOPSEMA's decision to accept the EP has been set aside. This will take effect on 6 October. The court has ordered that SANTOS's undertaking be extended until 6 October.

We do not have a copy of the undertaking as we are not a party to it and therefore comment on it.

Will come back to you with more as we have it, we are waiting for the reasons to be published. The lines I sent earlier should be sufficient for now until we have had a chance to look at the reasons.

Cheers
