[REDACTED],
Thanks for providing the agenda.

Can you please also advise attendees? [REDACTED] (online), [REDACTED] and [REDACTED]

The original request was for [REDACTED] to meet [REDACTED] or [REDACTED] and [REDACTED]. We only just now receive agenda and it appears there's other attendees? [Apologies.](#)

It's helpful to have these clarified in advance so we can prepare and all get value out of the meeting. [Understood.](#)

To address this I'll ask for a representative of the Office of the Chief Executive to attend but we would appreciate if Santos couple please communicate these a bit more ahead of time? [Apologies. Our primary objective as discussed previously is to discuss the GEP installation activity and the General Direction. The other agenda items are more updates.](#)

We will

Do our best but in the time available I don't expect to be able to have the NOPSEMA attendees briefed on all subjects. I trust you understand that. Understood. [We appreciated any advice you can offer.](#)

Much appreciated.

Regards,

Good afternoon [REDACTED],

We should be able to accommodate a meeting with [REDACTED] on Friday.

[REDACTED] and I are both available between 9 and 10am or at 12:30pm.

[REDACTED] is in Melbourne and travelling so unable to attend in person if at all. I have copied [REDACTED] who can see whether [REDACTED] is able to be on the phone if [REDACTED] wanted the [REDACTED] in the discussion also. I imagine [REDACTED] may have requested [REDACTED] and/or I attend if the meeting was with [REDACTED] in any event.

Please let us know your preference and an outline agenda/points [REDACTED] wishes to raise.

Thanks
