CONFIDENTIAL AND COMMERCIAL IN CONFIDENCE

[REDACTED]  
NOPSEMA  
Level 8, 58 Mounts Bay Road  
Perth WA 6000

**By email**

Dear [REDACTED]

We refer to the Barossa Gas Export Pipeline Installation Environment Plan, Revision 3, as accepted by NOPSEMA on 9 March 2020 (**GEP EP**), as well as to:

- + the meeting between representatives of Santos and NOPSEMA on 3 February 2023;
- + the meeting between representatives of Santos and NOPSEMA on 7 February 2023; and
- + the email from [REDACTED] of Santos to [REDACTED] of NOPSEMA dated 7 February 2023, setting out background to the meeting of the same date.

[REDACTED]

[REDACTED]

[REDACTED]

Each reference to a regulation in this letter is to a regulation under the *Offshore Petroleum and Greenhouse Storage (Environment) Regulations 2009* (Cth).

**Background**

As advised in our letter of 30 December 2022, particularly at [21]-[24], Santos had engaged Allseas Marine Contractors Australia Pty Ltd (**Allseas**) as the primary contractor to undertake installation of the

pipeline and associated end structures.
