**Date:** Wednesday, 17 May 2023 1:21:00 PM

---

OFFICIAL

Hi [REDACTED],

You have been assigned as the Focal Point Inspector for a new notification in the NOPSEMA Investigations Framework.

The notification is related to 162 - CPF Ichthys Explorer and is titled "OHS:DODSI - Shaft expelled during seawater filter maintenance ".

Please follow the link below to view the notification.

**Please note this was reported via reception as the dutyphone voicemail is out of service, so no voicemail has been saved to Objective.**

Thanks, [REDACTED]
