Hi [REDACTED],

Please find attached Draft supplementary advice from NOPSEMA relating to the request for Advice under Work Order 15 for your review and comment.

I'd be happy to arrange meeting to run through it in detail and then address any questions of comments before finalising the document.

As discussed previously, we'd also be happy to support DCCEEW in a discussion with Woodside once you have settled on any aspects of this advice that you may wish to discuss with Woodside.

We are still working on the advice with respect to Turtles and PBW and we are currently expecting to be undertaking our internal reviews by mid next week.

Please feel free to reach out if you have any queries or to tee up the meeting mentioned above.

Best Regards,
