Gas Export Pipeline (GEP) Installation

Santos

GEP EP

Summary of relevant EP information and history

- + NOPSEMA has confirmed that the EP is a 5-year plan, accepted 09 March 2020 – expiring 08 March 2025.
- + EP (Revision 3) states: "Installation of the pipeline is expected to be undertaken sometime between Q3 2021 and Q2 2023 and take up to nine months to complete..."
- + [REDACTED]
- + [REDACTED]
- + No limitation on the time of year.
- + [REDACTED]
- + NPF fishing seasons 1 April-15 June, and 1 August-30 November.

Proposed GEP Survey

Key Points

- + Proposed surveys are of value to the General Direction assessment.
- + NOPSEMA and stakeholder notifications provided 01/02 (3 weeks before the first survey).
- + Santos is making notifications in advance of a final decision to undertake the surveys.
- + Surveys will be raised during the Tiwi Islands visit (6-10 Feb).
- + Heritage values will not be impacted as vessel-based activity with no seabed contact.
- + [REDACTED]
- + [REDACTED]
- + EDO letter received 02/02.
