## IMPROVEMENT NOTICE

To: Woodside Energy Ltd

I, [REDACTED], an OHS inspector appointed under section 680 of the Act, am satisfied that the person named above as the responsible person is contravening, or has contravened, and is likely to contravene:

(a) clause 9(2)(e) of Schedule 3 to the Act

at:

North Rankin Complex

The reasons for my opinion are:

During a planned inspection of the North Rankin Complex conducted between 21<sup>st</sup> and 24<sup>th</sup> November it was identified that integrity of the accommodation internal fire door and fire door seals was impaired to such an extent that the specified fire rating cannot be demonstrated.

You are required to take action within 90 days of the date of this notice to prevent further contravention or likely contravention of the clause or regulation.

The following action must be taken by the responsible person within the period specified above:

Inspect all accommodation internal fire doors and seals and implement remedial actions to ensure that the integrity of the fire doors and fire door seals conform to the fire rating or by any other suitable means demonstrate that the fire doors and seals conform to the specified fire rating.
