Subject: Lightning 3D MSS (Bight Basin) Environment Plan - Appendix Record Clarification
Date: Monday, 31 March 2014 9:32:01 AM

Hi David,

Further to our discussion on Friday afternoon regarding the submitted Environment Plan Appendices, could I provide the following clarifying information:

- EP Appendix A (Submitted as part of Document (Electronic Version) entitled *Lightning MSS EP Part 1 [Including Appendix A&B]*) – Appendix is located on (electronic page) p256 within that document;
- EP Appendix B (Submitted as part of Document (Electronic Version) entitled *Lightning MSS EP Part 1 [Including Appendix A&B]*) – Appendix is located on (electronic page) p257-261 within that document;
- EP Appendix C (Submitted as part of Document (Electronic Version) entitled *Lightning MSS EP Part 2 [Including Appendix C,D,E&F]*) – Appendix is located on (electronic page) p1 within that document;
- EP Appendix D (Submitted as part of Document (Electronic Version) entitled *Lightning MSS EP Part 2 [Including Appendix C,D,E&F]*) – Appendix is located on (electronic page) p786-804 within that document;
- EP Appendix E (Submitted as part of Document (Electronic Version) entitled *Lightning MSS EP Part 2 [Including Appendix C,D,E&F]*) – Appendix is located on (electronic page) p805 within that document;
- EP Appendix F (Submitted as part of Document (Electronic Version) entitled *Lightning MSS EP Part 2 [Including Appendix C,D,E&F]*) – Appendix is located on (electronic page) p806-822 within that document.

I apologise that the second ELECTRONIC volume (Appendix C+) is a little confusing. It does contain a number of records which contain embedded attachments and appendices. We wanted to provide these as full records. I have prepared the table below to clarify the Part 2 Document Appendices and associated records. The page numbers listed here are according to the electronic page numbers in the file.

I do apologise for the following records with respect to order in the document – Record 10 precedes Record 9; and Record 26 (Attachment) precedes Record 26 (Cover Letter).

Please do not hesitate to contact me on 0418 122 336 if there is any other clarification required.

Thanks David.

Regards,

[REDACTED]
