Dear [REDACTED]

**ENVIRONMENT PLAN ACCEPTANCE – LIGHTNING 3D MARINE SEISMIC SURVEY (BIGHT BASIN)  
ENVIRONMENT PLAN**

Please be advised that the Lightning 3D Marine Seismic Survey (Bight Basin) Environment Plan (EP) (Revision 0, dated 21 March 2014) has been accepted in accordance with subregulation 11(1) of the Commonwealth Offshore Petroleum and Greenhouse Gas Storage (Environment) Regulations 2009 (Environment Regulations).

This acceptance is based on the document submission, including requested further written information, dated 26 May 2014, provided in accordance with the Environment Regulations. Please note that the responsibility for the ongoing environmental performance of the Lightning Marine Seismic Survey activity remains, at all times, with Bight Petroleum Pty Ltd.

A summary of the EP must be submitted to NOPSEMA within ten days of this notification for public disclosure in accordance with regulation 11(7). The required contents of an EP summary are described in regulation 11(8). Summaries can be submitted to NOPSEMA at <https://securefile.nopsema.gov.au/filedrop/submissions>. The summary will be published on the NOPSEMA website when NOPSEMA is satisfied with the summary.

Bight Petroleum Pty Ltd is obliged under regulation 29 of the Environment Regulations to notify NOPSEMA at least ten days before commencement and within ten days after completion of each activity as outlined in the EP.

Should you have any queries regarding the above please contact David Christensen, lead assessor for your submission, on Tel: (03) 8866 5715.

Yours sincerely,

Sonya Krishnan
