For Official Use Only

Hi Sonya,

The assessment team would like to recommend that the Bight Petroleum Pty Ltd Lightning 3D Marine Seismic Survey EP is accepted.

RMS link: <http://rms/assessments/2664/results>

I received confirmation from the I&RG team on Tuesday that no further third party responses have been submitted to those which have already been considered by the assessment team. I also reviewed the *Environmental Enquires & Stakeholder Consultation 2014* folder today and no further submissions by third parties appear to have been made.

Please let me know if you require any further info.

Thanks,

David Christensen
