Please note:

1. Office space and costs shared with NOPTA.
2. There is no minimum amount of work guaranteed under these contracts. NOPSEMA will nominate work on an 'as required' basis and is under no obligation to award work to the Contractors. The Contractors are aware that NOPSEMA has entered into contracts with more than one provider for the provision of Software Delivery Services in accordance with the Request for Tender.
3. Although the budget for the Employee Assistance Program has been set at \$132,000 over the four year period, the actual cost is dependent on employee's uptake of the program which has traditionally been lower than the budgeted amount.
