Estimated cost of complying with this Order: \$250.00

Basis of method used to estimate the cost: Hourly rate calculation

Please note:

1. Office space and costs shared with NOPTA.
2. There is no minimum amount of work guaranteed under these contracts. NOPSEMA will nominate work on an 'as required' basis and is under no obligation to award work to the Contractors. The Contractors are aware that NOPSEMA has entered into contracts with more than one provider for the provision of Software Delivery Services in accordance with the Request for Tender.
3. Although the budget for the Employee Assistance Program has been set at \$132,000.00 over the four year period, the actual cost is dependent on employee's uptake of the program which has traditionally been lower than the budgeted amount.
4. The original Contract was entered into in 2018 for annual subscriptions for software licence and Cloud Hosting to allow public comments on NOPSEMA's website and was not anticipated to be over \$100,000.00. This Contract has since been extended which has increased the value to \$143,000.00.
5. The original Contract was entered into in 2016, but the was not for an amount over \$100,000.00. This Contract has since been extended to 2023 with services to be provided on an as required basis. It is estimated that the total value of the Contract up to 30 June 2023 will be \$231,000.00 based on invoices to date and budget allocated up to 30 June 2023.
6. Noting the current Perth Office lease expires on 1 June 2022.
