19 December 2024	On the 19th of December, when provided with records of notification to AMSA JRCC, it was identified that the email was not issued within the required timeframe.	PS 1.6 Notification to AMSA JRCC to prevent activities interfering with other marine users. AMSA's JRCC will require the MODU's details (including name, callsign and Maritime Mobile Service Identity), satellite communications details (including INMARSAT-C and satellite telephone), area of operation, requested clearance from other vessels and need to be advised when operations start and end. <sup>1</sup>	NA	NA	Agreed with Vessel contractor that they would send out an internal email, to relevant personnel, on the timeframe requirement for notifications to AMSA JRCC.			

<sup>1</sup> Timeframes included in control wording 'Notify AMSA JRCC of activities and movements 24– 48 hours before operations commence'
