Hi [REDACTED]

Further to the below, I've also just uploaded through the submissions portal the separate reports from within Appendix C3 that I think you're looking for. If these are not the documents you're looking for, please let me know.

Also, we decided not to submit the excel tables with this submission given the change in format. We can provide those to you easily if the team would prefer that format.

Regards,

Hi [REDACTED]

We've checked the documents we uploaded and the unredacted files you're looking for appear to have links to these documents. It may be that the links have broken? Can you check that you're opening the links in Adobe rather than trying to open the files in an internet browser.

In any case, I've just uploaded another copy of C3 through the submissions portal. Could you have a look at this and let me know if you can access the files you need.

I'll give you a call in a moment to see if we can iron out the issues.

Cheers,

OFFICIAL

Hi [REDACTED]

In reviewing the consultation documents, our team has not been able to locate any unredacted versions of the reports on consultations provided in "C2 – Public Report on Consultations":

- Report On All Consultations – Organisations
- Report On All Consultations – Commercial Fishers
- Report On All Consultations – Persons

There are no links for these provided in 'Appendix C3 – CONFIDENTIAL – Sensitive Information Report' and there is not the equivalent information contained in 'Appendix C4 – CONFIDENTIAL – Full Text Copies'.

Can provide these please?

Many thanks in advance,  
[REDACTED]
