Hello [REDACTED]

Thank you for your email regarding the meeting Cameron agreed to in principle.

I note from your email, the topic to be discussed is “Santos stakeholder engagement”.

Due to the range of sensitivities connected to this topic, I am trying to ensure that it is clear what Santos wish to raise specifically. If there are aspects that cross over into sensitivities, we want to make sure it is agreed we discuss those, at a later date.

Cameron is happy for a meeting on Thursday if we can establish an agenda – it may be easier to call me to cover more background. Please note that [REDACTED] will also be attending.

Thank you  
[REDACTED]
