The safety zone for the JUA1E well will be valid from 1 December 2025 until revoked by notice published in the gazette.

The safety zones for the JUB1A and JUB1B wells, and the JULB Slot Manifold will be valid from 1 February 2026 until revoked by notice published in the gazette.

Where an unauthorised vessel enters or remains in the safety zone specified in contravention of this notice, the owner and the person in command or in charge of the vessel are each guilty of an offence against Section 616 of the Act and are punishable, upon conviction, by imprisonment for a term:

- not exceeding 15 years if the breach is determined as intentional.
- not exceeding 12.5 years if the breach is determined as recklessness.
- not exceeding 10 years if the breach is determined as negligence.
- not exceeding 5 years if the breach is determined as an offence of strict liability.

Dated this 12th day of November 2025.

Made under the *Offshore Petroleum and Greenhouse Gas Storage Act 2006* of the Commonwealth of Australia.
