

**Commonwealth of Australia*****Offshore Petroleum and Greenhouse Gas Storage Act 2006*****Authorisation to enter and be present in the area to be avoided**

The National Offshore Petroleum Safety and Environmental Management Authority [NOPSEMA], pursuant to section 618 of the *Offshore Petroleum and Greenhouse Gas Storage Act 2006* (OPGGSA), hereby authorises the vessels listed in Table 1 below, to enter, and be present in, the area to be avoided. This authorisation is subject to the following conditions:

- a. The authorisation applies only to vessels listed in table 1 below for which Fugro Australia Pty Ltd is the **owner** as defined in Section 614 of the OPGGSA.
- b. Each vessel must remain in radio contact 24 hours a day while it is located within the area to be avoided.
- c. Each vessel must observe any prescribed petroleum or greenhouse gas safety zones in the area to be avoided.
- d. Each vessel must monitor AusCoast Warnings and Australian Notices to Mariners for offshore operations before the transit is to take place.
- e. Each vessel must participate in the Australian Maritime Safety Authority MASTREP system.
- f. The authorisation is valid from 03/02/2026 until 23/03/2026.

**Table 1 – Vessels authorised to enter and be present in the area to be avoided**

Vessel name	Number	Port of registry
Fugro Etive	IMO 09379686	Nassau, Republic of Bahamas

**Warrick Hyde**
