Summary of information provided

Brief descriptive title	OHS-FIREX: Fire on back deck of de-comm vessel
Other vessel name	Fortitude
Incident location	Deck
Subtype/s	Fire
Summary <i>(provided at notification)</i>	<p>At ~6:00am there was a fire on the main deck of the Fortitude (Allseas vessel) conducting pre-commissioning activities on the Barossa pipeline. No injuries reported at this point, fire is under control and extinguished.</p> <p>Note #1: The summary is the same as that reported by the - NTF13068. Note #2: Duty phone holder advised Santos that the Fortitude is not a facility for this activity and therefore the notification and reporting should be addressed by Santos. It is understood the vessel is an AOP to the Santos Barossa pipeline.</p>
