Dear Ms McCarrey

NOMINATION OF A DESIGNATED PUBLIC OFFICER

Thank you for your correspondence dated 6 February 2026 to the Hon David Michael MLA, Minister for Mines and Petroleum, regarding nomination of a designated public official (DPO) for engagement with the National Offshore Petroleum Safety and Environmental Management Authority. Your email has been referred to me as the Minister for Transport. I apologise for the delay in responding.

I have been informed that the State's previous DPO nomination has resigned from the position of Director Maritime Environmental Emergencies Response and Ports within the Department of Transport and Major Infrastructure's (DTMI). Mr Peter Dwyer was subsequently appointed to the position.

Mr Dwyer performs the role of Harbour Master for DTMI and has significant experience in maritime environmental emergencies. He is currently one of the nominated State Marine Pollution Controllers for Western Australia and I am pleased to nominate him to the position of DPO for Western Australia. Please find his contact details below:
