For Official Use Only

Hi [REDACTED]

Thank you for providing Schlumberger's revised response to recommendation 2101-1. NOPSEMA advises that this recommendation is now closed.

Please note that Schlumberger's implementation of EP control measures for the Otway Basin 2D MSS may be subject to future inspection.

Kind regards
[REDACTED]

Hi [REDACTED]

Hope this finds you well.

Apologies for not getting back to you earlier. I've summarized the following for you based on our telephone conversation last Thursday.

Please let me know if you have any questions or concerns.

Regards,

A block of text that has been redacted with a black box. The text is arranged in several lines, with the first line being the longest and subsequent lines being shorter and indented.

Hi [REDACTED]

There have been some delays in the connecting flights and a couple of us will still be in air at 11.45AM Perth time. We propose to reschedule the teleconference for 4PM Perth time this afternoon. I will resend the invite, please let me know if this doesn't work and we can revise for a later time slot accordingly.

Regards,

Hi [REDACTED]

All of us are travelling to Portland Victoria for the Project start up on Monday. Just working through our flight schedule, following time windows would work for us for a teleconference on Monday, 13th Jan.

- 11.45AM Perth Time
- 4PM Perth Time

I will send a skype invite for 11.45AM for Monday morning, if that doesn't work then I can revise it accordingly.

Regards,
[REDACTED]

Dear [REDACTED]

Please see below NOPSEMA's advice to SLB's proposed actions in response to recommendations of inspection 2101 (Otway Basin 2D MC MSS).

I suggest that we meet (teleconference or face to face) on Monday or early Tuesday (if possible) to discuss SLB's response to the matters raised below noting the anticipated commencement date of 16 January 2020.

I'll give you a call on Monday morning to discuss.

Kind regards

DLM Only

Dear [REDACTED]

Please find attached NOPSEMA's final inspection report for the petroleum environmental inspection of the Schlumberger Otway Basin 2DMC Marine Seismic Survey.

NOPSEMA requests that Schlumberger provides responses to recommendations by 8 January 2020 to enable NOPSEMA to consider these responses prior to the commencement of the seismic survey activity.

Responses to recommendations should be submitted via the secure file transfer and using the attached spreadsheet.

Please give me a call if you have any questions and let me know if you would like to meet to discuss responses to recommendations prior to submitting them.

Kind regards
[REDACTED]
