Subject: RE: TEACA / Tiwi Islands NOPSEMA CEO invite - Action to progress

OFFICIAL

Hi [REDACTED]

[REDACTED] and I have listened to the Senate committee hearing today and note some considerations for a trip to the Tiwis, including clarifying TEACA's standing and ensuring [REDACTED] have an opportunity to engage. I'm unsure if you heard appearances just prior to yours - Senators Thorpe and Cox were asking Woodside and Santos if they had funded TEACA. We've got a meeting with [REDACTED] next Wednesday for advice/background/logistics.

When we approach the Tiwi Land Council as the formal rep body for the Tiwis, we can ask that they extend the invitation to the [REDACTED], if we consider it prudent.

When [REDACTED] met with TEACA they asked if she was attending the conference in Darwin but there are actually two.

[REDACTED] appears to be speaking at the NT Resources week conference, but TEACA is presenting at this one:

[Australian Sea Country Conference 2024 \(eventsair.com\)](https://eventsair.com)

Join us for the inaugural Australian Sea Country Conference.

We invite First Nations and advocates, leaders in program design, Government, industry policy officers, resource managers and decision makers to join us on an immersive two-day journey where the past, present and future of our precious Australian Sea Country is at the forefront.

The Australian Sea Country Conference will provide a forum to acknowledge past and present policies and practices with the intent of working together to co-design legislation and regulation on behalf of the sea.

In addition, the Australian Sea Country Conference aims to identify opportunities and inconsistencies between Native Title Rights and State/Territory and Commonwealth recognition with a view to seek consistency.

Through the Australian Sea Country Conference, we will explore the potential for the establishment of a First Nations peak body representing interests in Sea Country-related matters which would benefit all Governments undertaking consultations

The invitation may have gone to our Minister but it might be worth keeping an eye on. It's 24-26 Sept so if [REDACTED] was interested in attending we could try and line up the trip around the conference, if appropriate.

Warm regards

[REDACTED]

Subject: TEACA / Tiwi Islands NOPSEMA CEO invite - Action to progress

OFFICIAL

Hi [redacted]

In follow up to the invitation from the TEACA rep invite to the CEO to come to Tiwi Islands I was hoping you'd be able to do some further background work to prep and proposal for steps to get this in place?

le I imagine we need to check the standing of the invite and then engage formally via the TLC?

Can you please propose the steps/order to be taken as a first pass then liaise with [redacted] to assist in drafting letters etc as per protocol?

Thanks

[redacted]
